*Article 28-*

*You have the right to a good quality education. You should be encouraged to go to school to the highest level you can.*

*Article 29*

*Your education should help you use and develop your talents and abilities. It should also help you learn to live peacefully, protect the environment and respect other people.*

Lissan Primary School is a Rights Respecting School where everyone is valued and visible and encouraged to reach their full potential. The Northern Ireland Education Order (2006) sets out the minimum requirements that should be taught at each key stage.

*(Article 28- You have the right to a good quality education. You should be encouraged to go to school to the highest level you can.)*

In Lissan Primary School, we aim to provide a broad and balanced curriculum for all children. We strive to give every child the opportunity to experience success in learning and to achieve as high a standard as possible.

Our staff is dedicated to meeting the needs of each child, setting high standards for pupil effort, achievement and behaviour. We encourage our pupils to develop lively, enquiring minds, to think creatively and to use their own initiative to work with increasing independence.

6. **Physical Education/Development and Movement** (focusing on the development of knowledge, skills and understanding through play and a range of physical activities).

The Northern Ireland Curriculum sets out the minimum requirement that should be taught at each key stage this will be followed and used as a starting point for teacher planning.

Religious Education is provided for all pupils and teachers use the core syllabus as the starting point for planning.

### **Whole School Skills and Capabilities:**

In Lissan PS, we place an emphasis on the development of skills and capabilities for lifelong learning and for operating in society. Within lessons we provide the opportunities to engage in active learning contexts across all areas of the curriculum and progressively develop:

- Cross- Curricular Skills
- Communication
- Using Mathematics
- Using information and Communication Technology
- Thinking Skills and Personal Capabilities
- Thinking, problem-solving and decision making
- Self-Management
- Working with others
- Managing Information
- Being Creative

### **Equity of Access**

In Lissan Primary School, teachers are aware that pupils have different experiences, interests and strengths, which will influence the way in which they learn. In planning curriculum and assessment activities, teachers are aware of the requirements of the equal opportunities legislation and the Special Educational Needs and Disability Order (SENDO) 2005 and have high expectations for all pupils, including pupils with special educational needs, pupils with disabilities, pupils from all social and cultural backgrounds, pupils of different ethnic groups including travellers and those from diverse linguistic backgrounds.

Approaches to learning and teaching provide suitably challenging opportunities for all pupils to take part in lessons fully and effectively. They enable all pupils to achieve. For pupils with special educational needs the staff take account of the type and extent of the difficulty experienced by the child. For those pupils whose attainments fall significantly below the levels expected at a particular key stage, degrees of differentiation of tasks and materials appropriate to the age and requirements of the pupil will be provided. For pupils whose attainments significantly exceed the expected levels of attainment during a particular key stage, teachers plan suitably challenging work by extending the breadth and depth of study across

### **Areas of Learning.Assessment**

Assessment is an integral part of the learning process. Within the school a variety of summative assessment methods are used. These include NFER Maths, English and Reading tests, Assessment Tasks, Cats4 and Computerised Assessments (NILA & NINA). The results of which are used to track pupil progress and aid curriculum planning. These are enhanced by a range of formative assessment methods within every day practice.

### **Roles and Responsibilities**

The Principal will report to the Board of Governors on all matters relating to the curriculum. The learning area co-ordinators will assist the Principal in monitoring and evaluating curriculum practice.

### **Complaints Procedure**

In the event of a complaint concerning the curriculum, parents should in the first instance write to the Principal. The Principal, in liaison with relevant staff, will seek to bring about a resolution of the matter.

If such a resolution does not emerge, parents should write to the Chairman of the Board of Governors. He will raise the matter at the next Governors' meeting. They will arrange a hearing for the complaints and reach a decision on whether or not to uphold a complaint.

If a resolution has still not been arrived at, parents may write to the Curriculum Complaints Tribunal of the South Eastern Education and Library Board.
